Borders**

## ABOUT OUR COMPANY

Atlas Logistics Solutions is a leading logistics service provider based in Jeddah, Saudi Arabia, offering comprehensive container handling, storage, and transportation solutions across the region. With a state-of-the-art terminal covering over 40,000 square meters and a modern fleet of trucks, we are equipped to handle the diverse and growing logistics demands of our clients with precision and reliability.

Our operations encompass a wide range of services including empty and full container handling and storage, LCL, breakbulk, and vehicle storage, transportation and shuttling, reefer plug-in, container cleaning and repair, stuffing and de-stuffing, PTI and data download, and used and new container sales.

## Vision

To be a leading logistics partner in the Gulf region, recognized for reliability, innovation, and excellence in delivering integrated logistics and supply chain solutions.

## Mission

To provide efficient and customer-focused logistics services through advanced infrastructure, modern technology, and a dedicated team committed to continuous improvement.

## Values

Integrity, reliability, innovation, and teamwork guide our operations, ensuring professionalism, accountability, and long-term partnerships with our clients.

# Container Handling and Storage

Atlas Logistics Solutions offers comprehensive container handling and storage solutions designed to meet the evolving needs of businesses across Saudi Arabia and the Gulf region. Our facilities and operations ensure that containers are managed efficiently, safely, and cost-effectively.

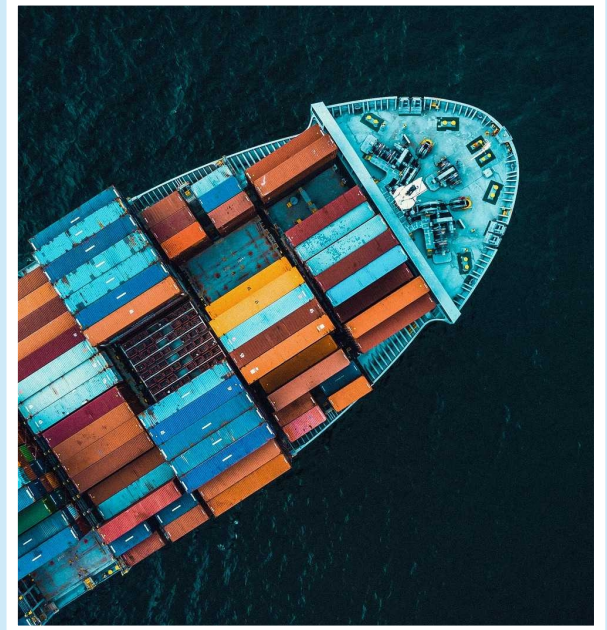

## Our Services Include:

- Secure Container Storage
- Efficient Handling Operations
- Inventory & Tracking Systems
- Optimized Yard Management
- Compliance & Safety

# LCL Cargo and Breakbulk Storage Services

At Atlas Logistics Solutions, we provide flexible, secure and cost-effective solutions for managing Less-than-Container Load (LCL) cargo and Breakbulk Storage. Our facilities are equipped to handle varying cargo types and volumes, ensuring efficient space utilization, safe storage and seamless logistics coordination. Whether you're managing small shipments or large-scale bulk materials, our customized solutions help streamline operations and reduce overall costs.

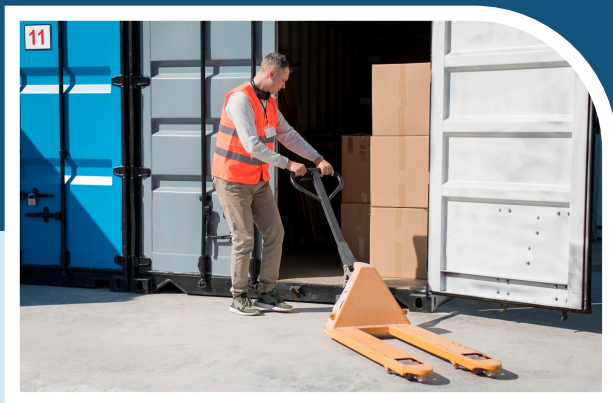

## Our Services Include:

- Professional Cleaning
- Structural Repairs
- Preventive Maintenance
- Quality Assurance
- Eco-Friendly Practices

# Stuffing & De-Stuffing

At Atlas Logistics Solutions, we provide professional stuffing and de-stuffing services that ensure cargo is handled efficiently, safely, and in full compliance with international standards. These services are designed to optimize cargo flow, minimize turnaround times, and protect goods during transit.

## Our Services Include:

- Efficient Loading & Unloading
- Customized Solutions
- Quality & Compliance Checks
- Flexible Scheduling
- Cost Optimization

# Container Cleaning & Repairing

At Atlas Logistics Solutions, we offer comprehensive container cleaning and repair services designed to keep your containers in top condition for safe, reliable, and efficient transport. With a skilled technical team and modern equipment, we ensure every container meets international quality standards. Our process enhances container lifespan, cargo safety, and operational efficiency, while also supporting sustainability through eco-friendly methods.

## Our Services Include:

- Professional Cleaning
- Structural Repairs
- Preventive Maintenance
- Quality Assurance
- Eco-Friendly Practices

# Land Transportation Services

Atlas Logistics Solutions operates a modern fleet of trucks designed to provide safe, reliable, and timely road transportation across Saudi Arabia and the Gulf region. Our road freight services are built on efficiency, precision, and flexibility, ensuring that cargo of all types reaches its destination in perfect condition.

## Key Features of Our Road Freight Services

- Domestic & Regional Coverage
- Specialized Cargo Handling
- Real-Time Tracking & Monitoring
- Timely Deliveries
- Safety & Compliance

# Container Trading

Atlas Logistics Solutions is a reliable partner in container trading, providing a full range of new and pre-owned shipping containers for both sale and lease. Our containers are built to withstand demanding conditions, offering durability, versatility, and cost efficiency for transport, storage, and specialized applications. With a focus on quality assurance and customer satisfaction, we ensure every container meets international safety and performance standards, making us a trusted choice for businesses across industries.

## Our Services Include:

- New & Used Containers
- Buy, Sell & Lease Options
- Inspection & Certification
- Customization Services
- Global Sourcing & Delivery

# Our Facility

At Atlas Logistics Solutions, our strength lies in our state-of-the-art logistics terminal strategically located in Jeddah, Saudi Arabia. Spanning over 40,000 square meters, our facility is fully equipped to handle storage, container operations, transportation, and value-added logistics services with maximum efficiency and safety.

# Our Clients

We have proven our commitments by providing quality, timely and cost-effective services to our esteemed and valuable clients. Some of the reputed and renowned companies for which we have provided services are.
